Train, Train Take Me There

Chook, chook, chook, chook!
Train, train mighty fine,
When it's ready it'll shine,
Train, train it's time to go,
To holy places we will go,
(Yoo, hoo wee, wee, wee)

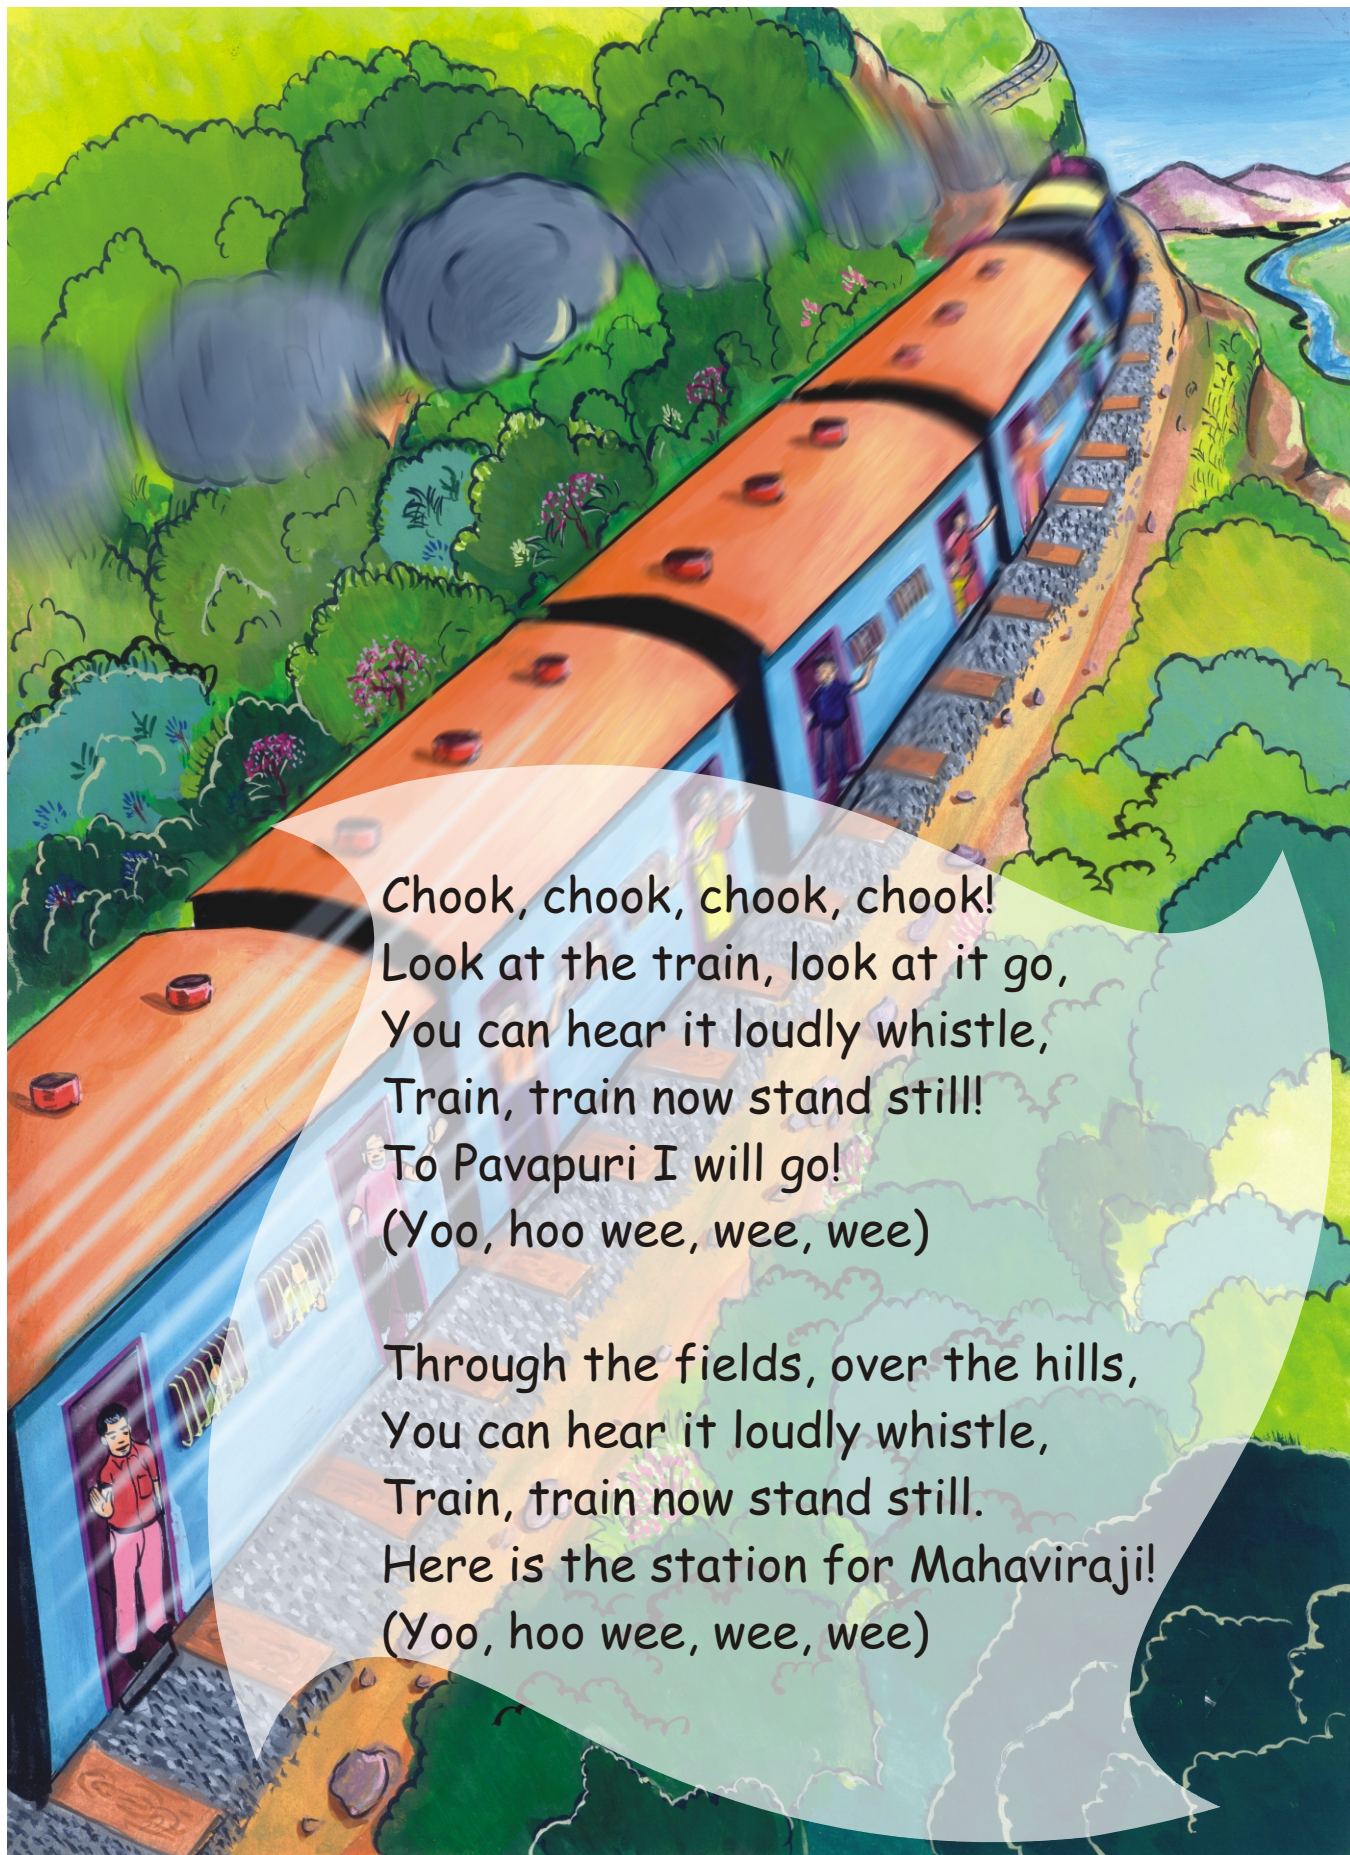

Look at the train, look at it go,
You can hear it loudly whistle,
Train, train now stand still,
Here is the station for Shikharji!
(Yoo, hoo wee, wee, wee)

Through the fields, over the hills,
You can hear it loudly whistle,
Train, train now stand still.
Here is the station for Palitana!
(Yoo, hoo wee, wee, wee)

Chook, chook, chook, chook!
Look at the train, look at it go,
You can hear it loudly whistle,
Train, train now stand still!
To Pavapuri I will go!
(Yoo, hoo wee, wee, wee)

Through the fields, over the hills,
You can hear it loudly whistle,
Train, train now stand still.
Here is the station for Mahaviraji!
(Yoo, hoo wee, wee, wee)

Look at the train, look at it go,
You can hear it loudly whistle,
Train, train now stand still!
Here is the station for Bahubali!
(Yoo, hoo wee, wee, wee)
Chook, chook, chook, chook!
