

We learned about some good habits in a previous class and now we are going to learn some more.

I hope you have adopted them in your daily activities.

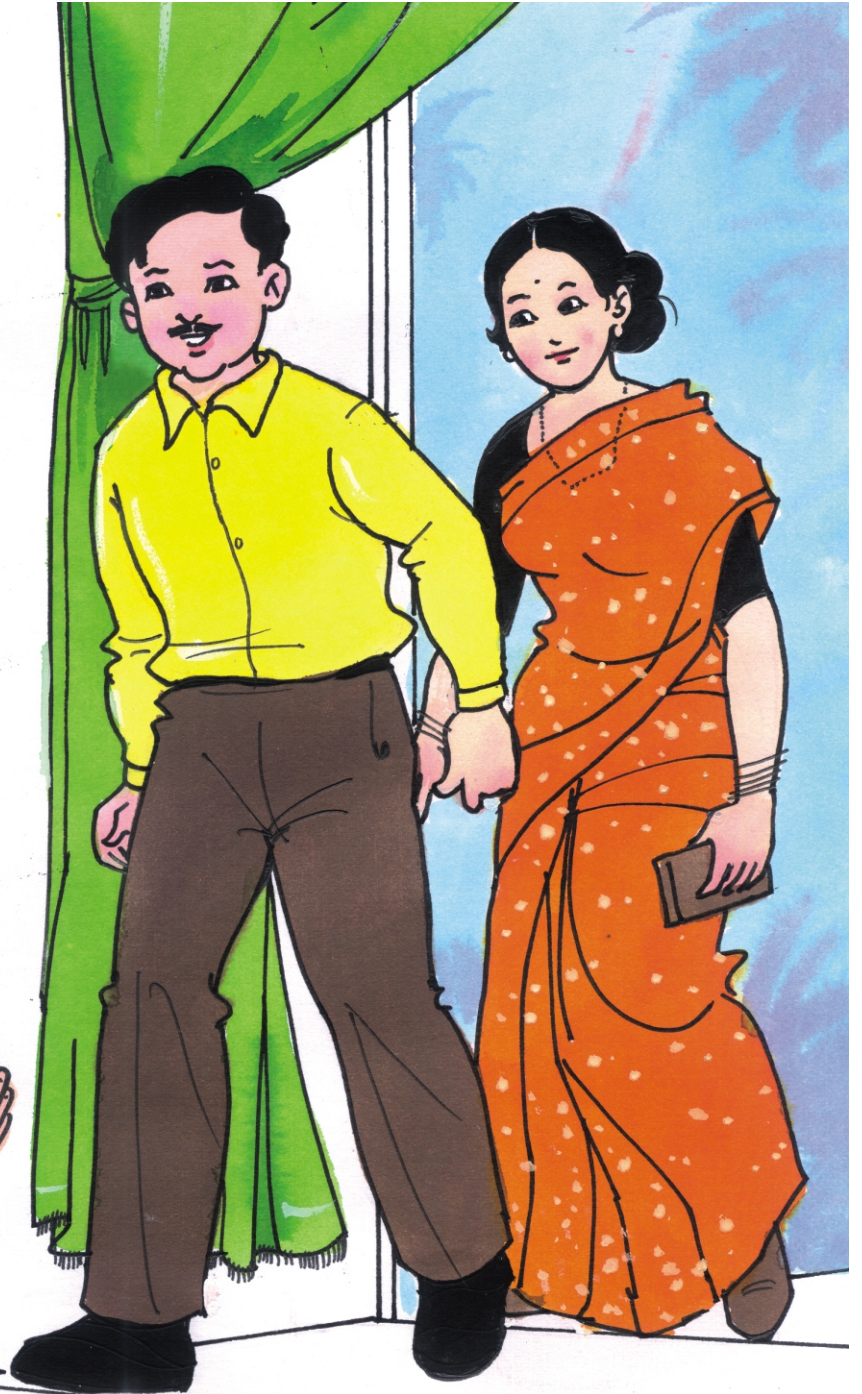

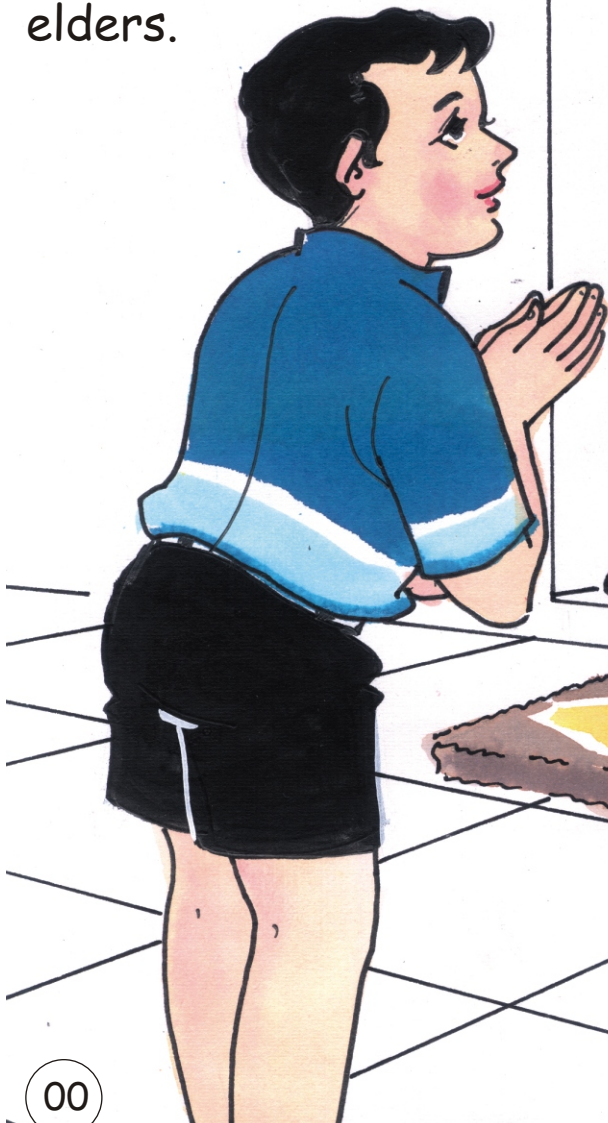

We go to the Jain
school or pāthshālā.

We learn more
about our religion.

We greet all our Jain friends and elders by saying "Jai Jinendra" and also Pranam to elders.

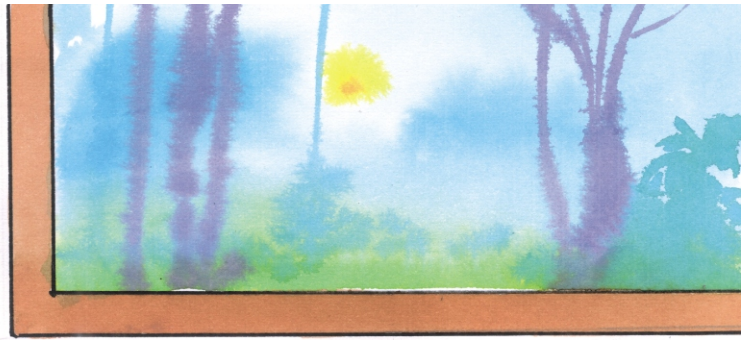

We always obey our
parents and teachers.

We are kind to animals, bird, fish, insects, and plants, etc,

We always tell the truth.

We take only what is given to us.

We control our desires.
We feel happy with
What we have.
