

As we grow up we form the habits.  
Many of our habits are good but some  
of them need to be changed.

We like to make friends  
with those who have good  
habits. Let us change the  
following habits if we have  
them:

Hurting or killing humans, animals, plants, or insects, etc.

Telling a lie.

Saying bad words.

Getting angry.

Being a tattletale.

Being greedy.

Missing Jain school (pāthshālā).

Letting go off any chance to help others.

Plucking flowers or leaves.
