

For the last few classes we have been discussing our good habits as well as the habits we should change.

Let us be sure that we only develop good habits. Let us change the following habits if we have them.

Tearing the books.

Throwing our books, toys, etc.

Scratching (spoiling) our books.

Taking anything
without permission.

Stealing.

Making our class, school
or home dirty.

Listening to the tattletale.

Being a cry-baby.
