We Jains have a
special way of saying "Hello".

We Jains have a special
way of saying "Good morning".

We Jains have a special way
of saying "Good evening".

We say Jai Jinendra!

Now make a circle with your friends and
say Jai Jinendra to each other.

Jai Jinendra
I can see left,

I can see right,
Jai Jinendra to you,
Jai Jinendra to you.

To my family,
To my friends,
Jai Jinendra to you.

Jai Jinendra to each
and every one of you.

We Are All Jains.

This is my family.
We are all Jains.

All of us believe in the
teachings of the Jinas

I say Jai Jinendra to
everyone in my family.
