Mini the mouse is very kind

She is kind to anyone she can find

Birdy is crying,

Mini is being kind to Birdy,

I hope she can make birdy stop crying!

We must be kind

We must never hit anyone
We never hurt anyone
Not a dog or cat...

...A mouse or a spider.
We must be kind.
We must never hit anyone.

... A fish, a fly,
No animal big or small!
We must never hurt or
hit our friends.
We must be kind.
