

## 07 Let me tell you about being VEGETARIANS

Look at Ellie the Elephant  
big and strong.

Her legs are  
so very long.

She eats only  
vegetables.  
Veggies are her  
favourite thing!

# We must be vegetarians

We must eat  
vegetarian food.

We must eat things  
made of wheat,  
grains, pulse, etc.

We must eat green  
vegetables.

We must eat fruits.

We must be careful  
of what we eat.
