

All animals are my friends.
These are animals that
I see everyday
around my house.

They are my friends.
Just hear them
sing their song.

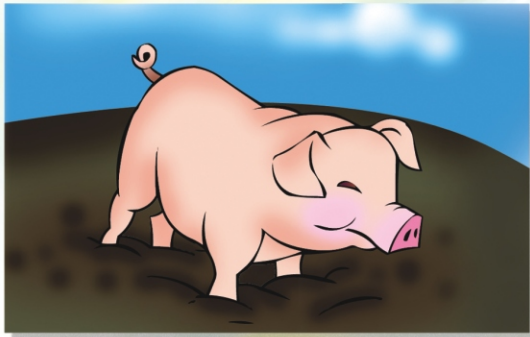

Meet My Animal Friends

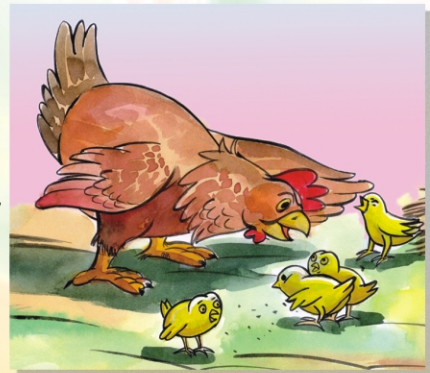

The dog says bow-wow,

The cat says meow-meow,

The pig says wee-wee,

The chick says cluck-cluck,

The cow says moo-moo!

The cock says cock-a-doodle-doo

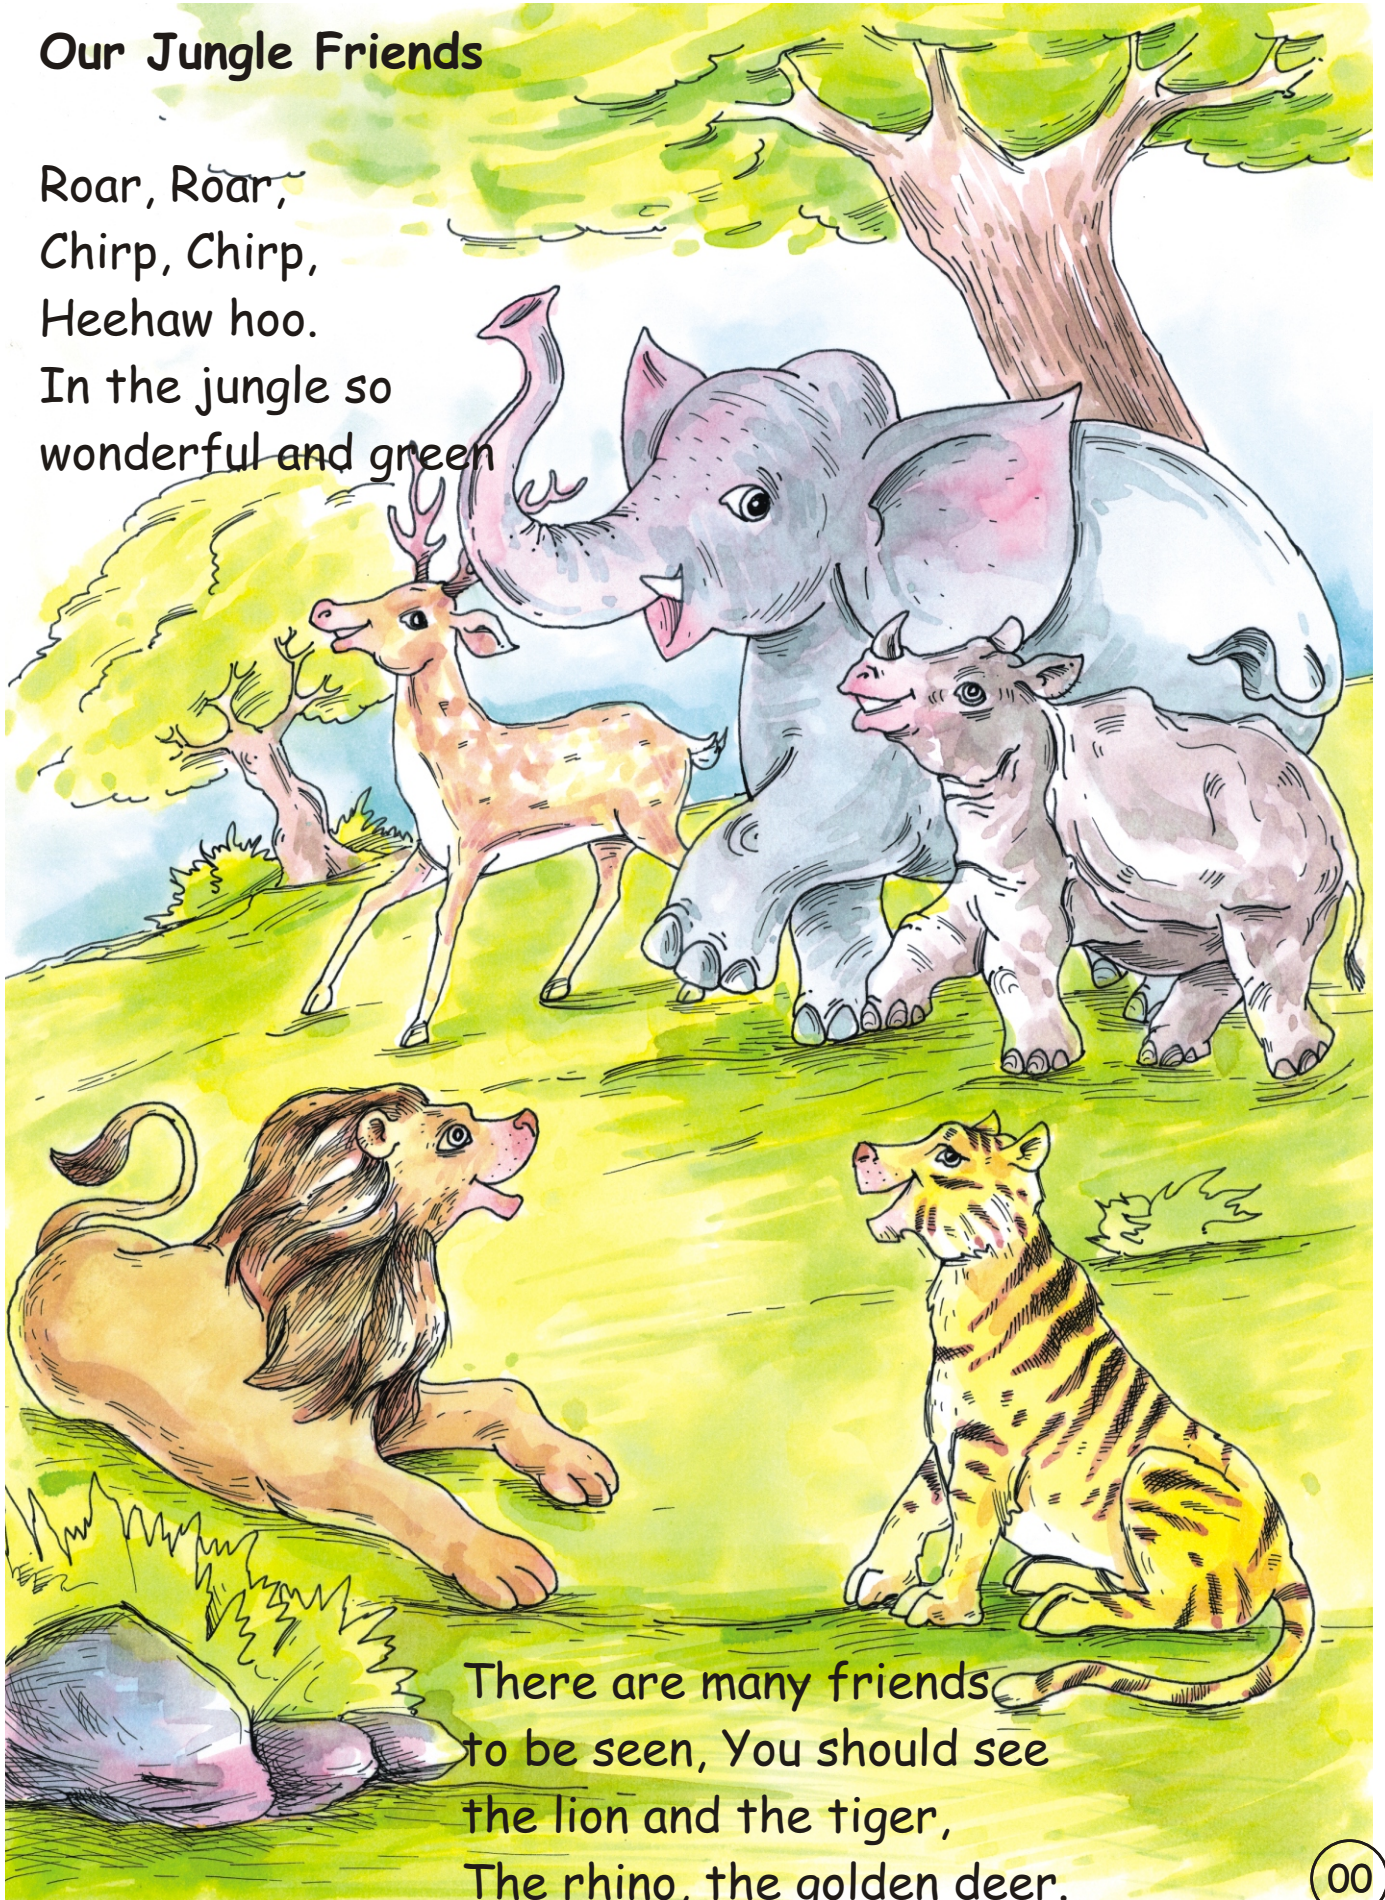

We are your friends' Yoo hoo!

Those wild animals live in the jungle
are also my friends.

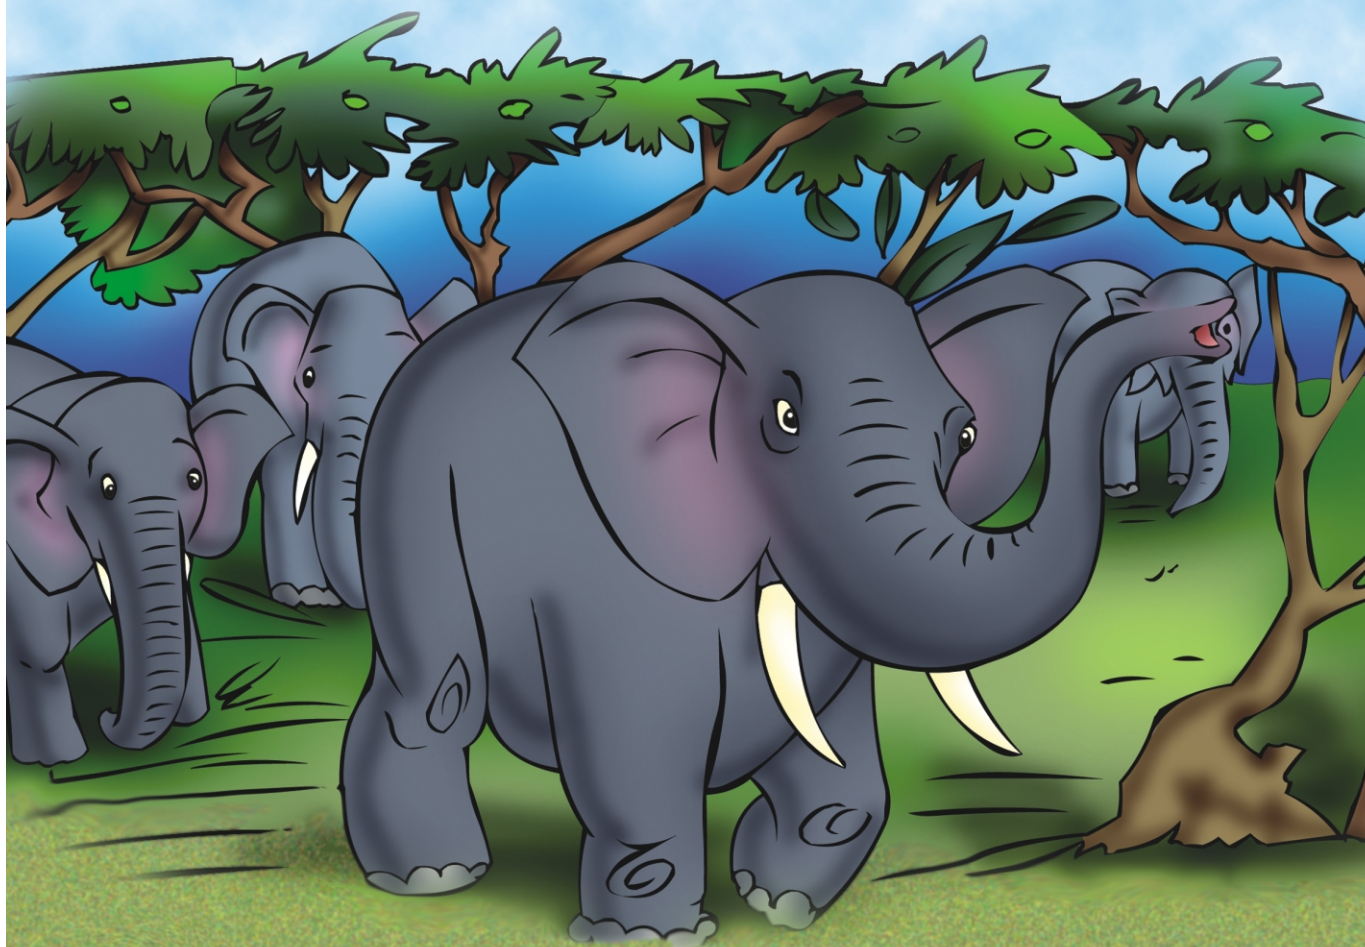

Our Jungle Friends

Roar, Roar,
Chirp, Chirp,
Heehaw hoo.
In the jungle so
wonderful and green

There are many friends
to be seen, You should see
the lion and the tiger,
The rhino, the golden deer.

Hear the elephant trumpets Woee,
As they say, "We're free, we're free,
We all live here happily!

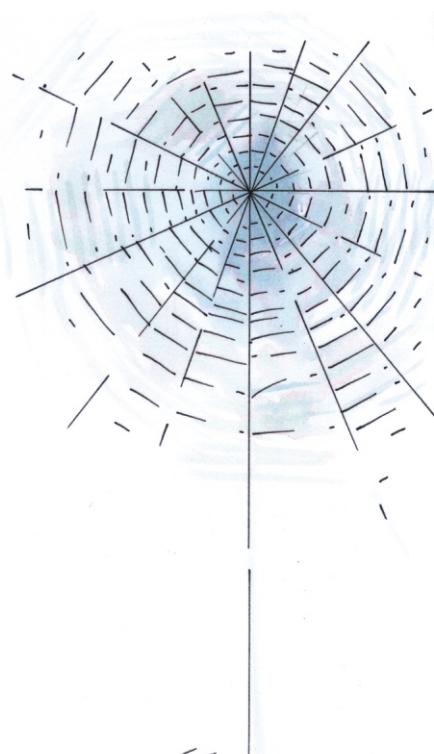

We are your friends
Just treat us very nicely!"

Some animals are not cuddly. They can be very scary.
But they are my friends too.
Hear them sing.

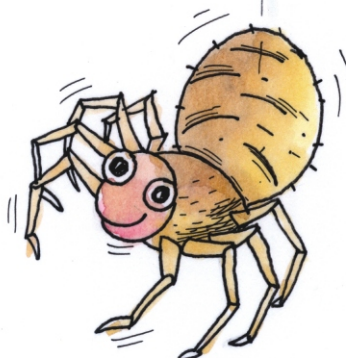

Our Friends Who Look Scary

I'm a snake with a hiss,
Don't hurt me.
Listen to this,
I am your friend.

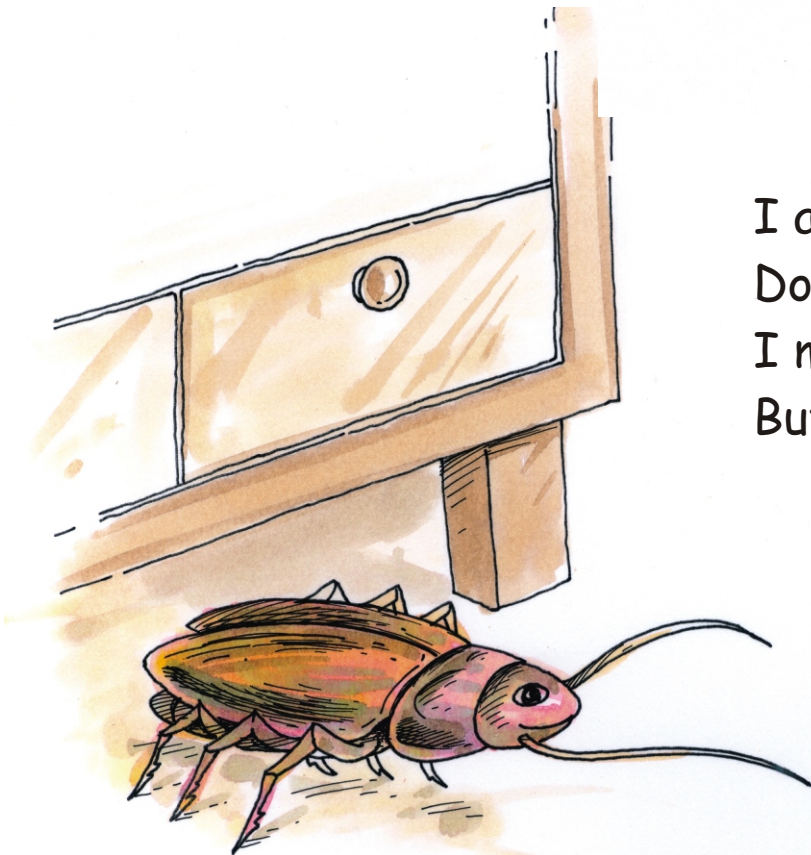

I'm a spider,
Don't hurt me,
I sit near you,
I can't do
anything to you.

I am an ant,
Don't hurt me,
I don't want to give you a fright,
Only if I'm scared, I bite.

I am a cockroach,
Don't hurt me,
I may seem yucky,
But I'm really your friend.

There are many like us who seem scary,
And to you we many even look ugly,
Don't hurt us,
We are your friends.

We've heard about what happened to Miss Muffet
when she got frightened of a spider.

Now say this poem and know
what happened to her when
she did not run away.

Little Friendly Miss Muffet

Little Miss Muffet
Sat on a tuffet,

Eating her curd
and whey.

Then came
a big spider

Who sat down
beside her.

They are friends
even today!
