

## 08 We Must Never Make Fun Of Other Children

Monu -

Look at him, he has fallen in the puddle.

Sonu -

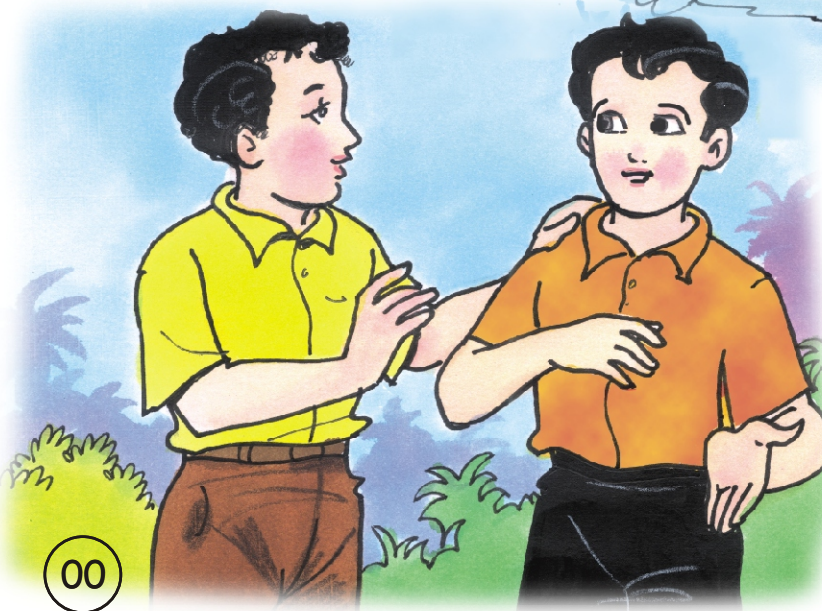

I am feeling so sad.  
I wish Monu would  
not make fun of me.

Monu -

I'm sorry I teased you  
and made you cry.

Come home, let me help  
you dry up your clothes.

## Listen to the little bird sing

Listen to the little bird sing,  
He has to tell you something -

Don't make fun of anyone

"Don't make fun of anyone,

Don't tease anyone!

You wouldn't like it,

Not one bit,

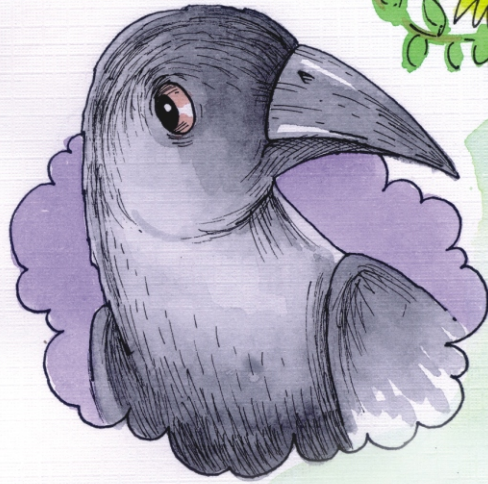

If anyone made fun of you!"

# The Cuckoo Who Made Fun Of Everyone

Once there was a cuckoo,  
Who made fun of everyone.

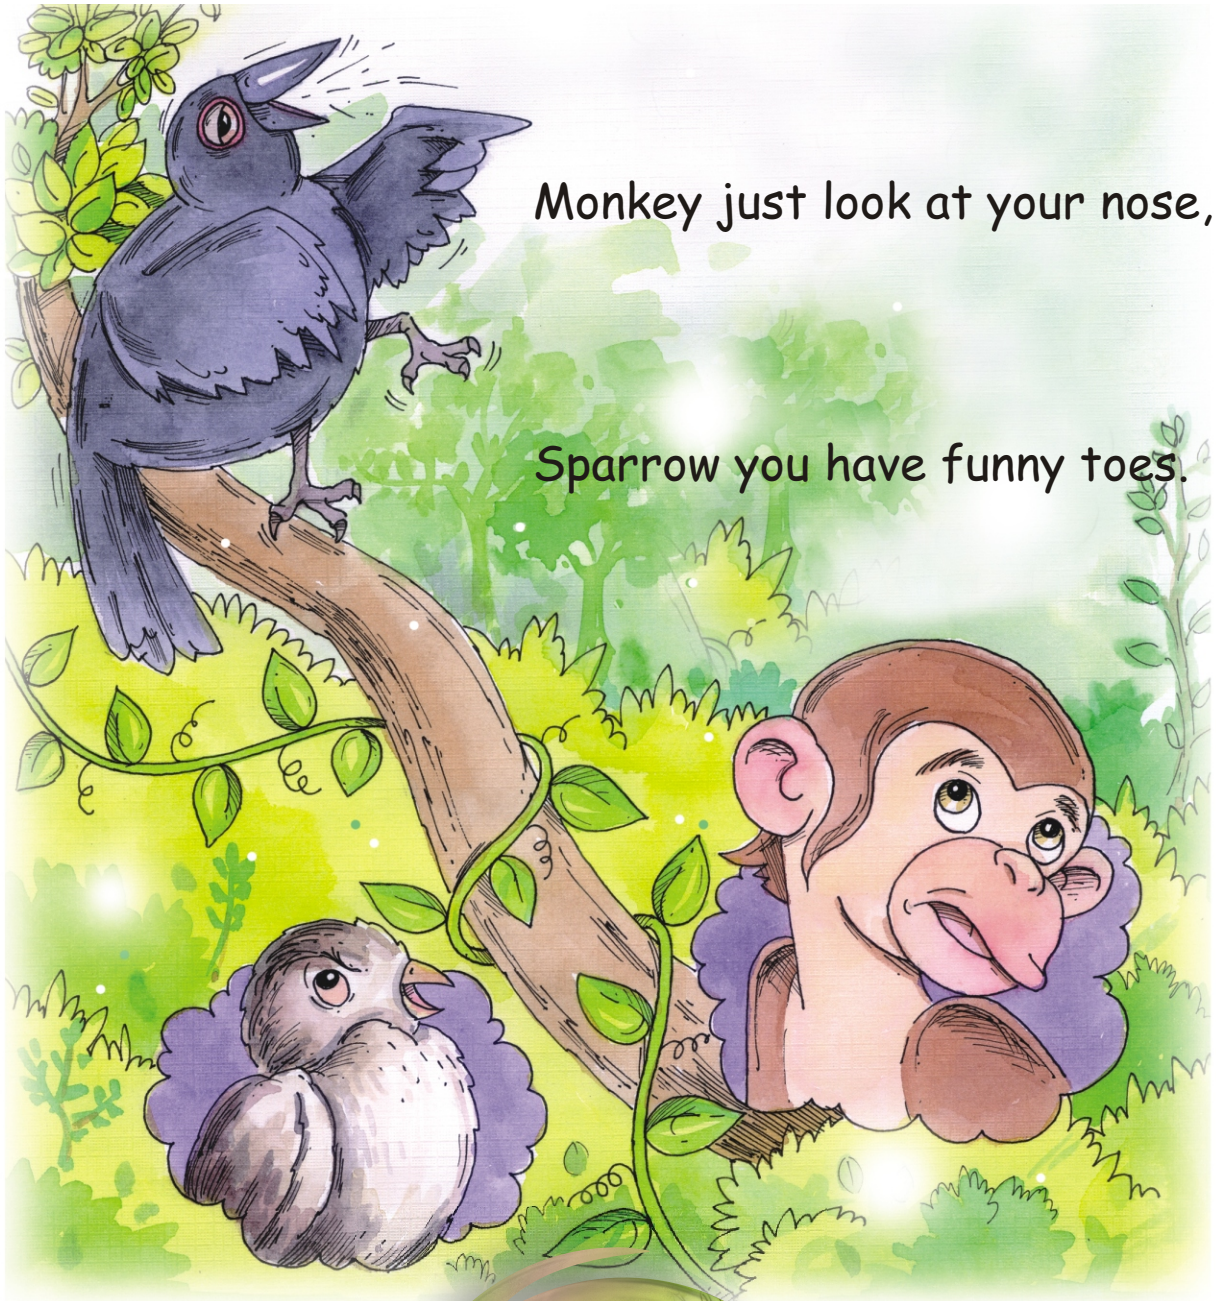

He said, "Crow you are funny,

Parrot you are a thinny,

Monkey just look at your nose,

Sparrow you have funny toes.

Ha, ha, hee, hoo, hoo!  
I like to make fun of  
everyone I know! "

No one liked the cuckoo,  
Because he said,  
"I love to tease you!"

One day came an eagle,  
Who was really large.

He looked at the cuckoo  
And laughed so loud,  
"Hey cuckoo," he said,  
You look so funny,  
Your eyes are funny,  
Your feathers are funny."

The eagle teased the cuckoo a lot,  
That made the poor fellow cry.

His friend the crow  
said with a sigh,  
"Well cuckoo this is what you do,  
You make fun of us you know!

You don't like to be made fun off,  
Neither do we,  
Like you we too feel bad  
you see."

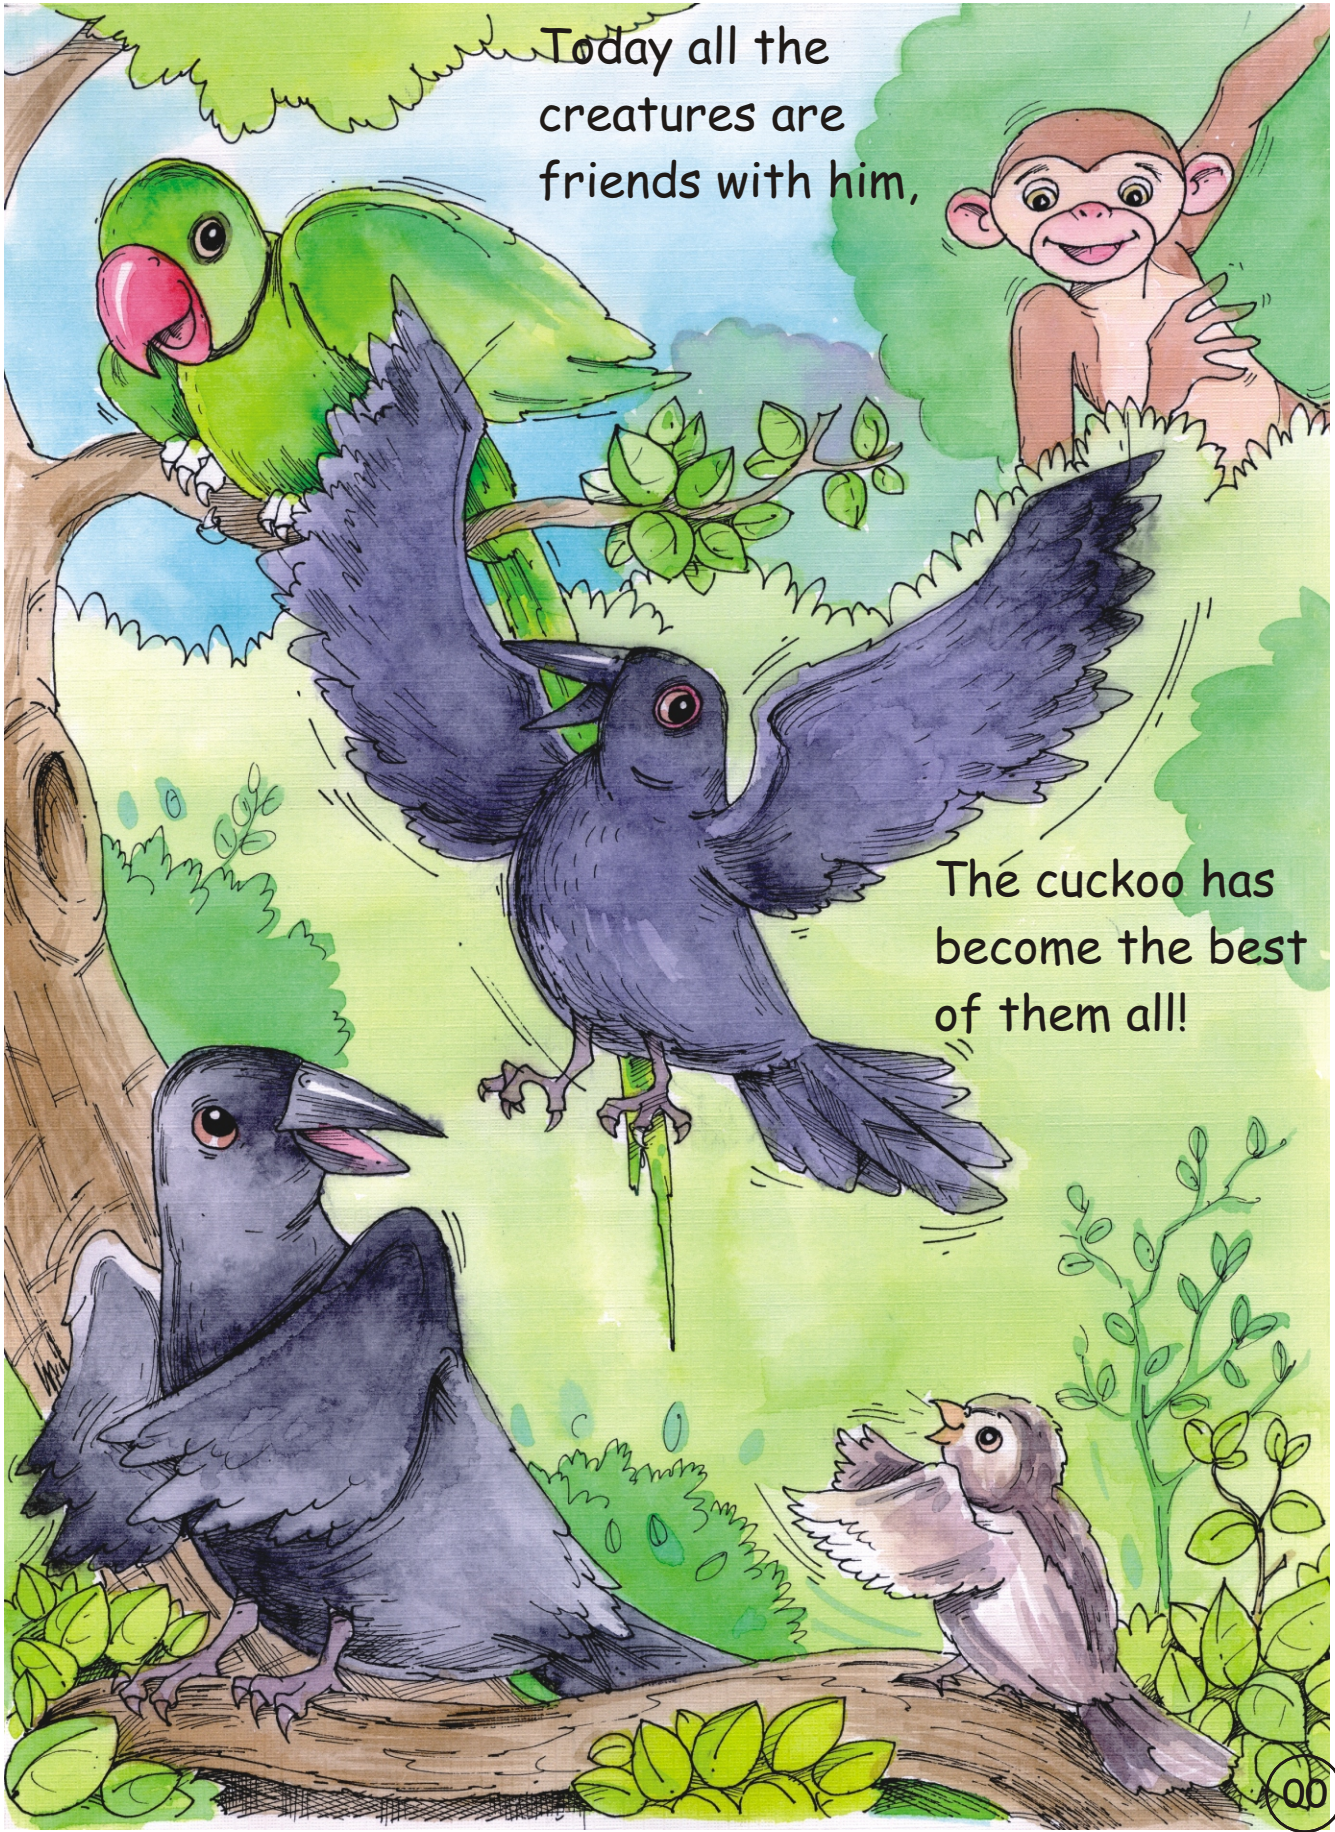

The cuckoo now never  
makes fun of anyone.

He knows that it is mean to tease,  
To everyone he has said,  
"I'm sorry, forgive me please,  
I'll never make fun of anyone again!"

Today all the  
creatures are  
friends with him,

The cuckoo has  
become the best  
of them all!
